

A8928480 Product Specifications

Special Feature: Portable, Mini

Use: Portable Audio Player, Mobile Phone, Computer

Playback Function: MP3

Channels: 2 (2.0)

Working voltage/current: 3.7-4.2V

Charging voltage/current: DC 5V

Battery capacity: 150mAh | **Rated power:** 3W/4Ω

Material: ABS + Rubber Finish

Charging time: 2H

Product Size: 50 x 50 x 35mm

Product Weight: 160g

Bluetooth Speaker Functions:

- (1) Play music via Wire / Aux in
- (2) Soft silicone surface get soft feel
- (3) Dustproof and shockproof
- (4) Small size convenient to carry away
- (6) Stainless steel speaker mesh
- (7) Support MP3/WMA/WAV connection
- (8) Extendable resonance of the bass box technology enables stronger effect.
